## Wedding Ceremony Information Form

In general, a typical wedding ceremony has 3 or 4 sections needing musical choices. Your DJ or musician can suggest ceremony favorites or you may select any music or genre you prefer.

**Pre-ceremony music** is played as guests are arriving and being seated. Many couples select contemporary instrumentals by "Vitamin String Quartet" or "Piano Guys" as background music before their ceremony starts. Comments or Requests: \_\_\_\_\_

**Wedding Party Processional music** usually begins either when the parents are escorted to their seats or when the first bridesmaid starts to walk down the aisle. This Processional Music fades when the members of your wedding party are all in place.

**Popular Choices:**

- Canon in D       Bitter Sweet Symphony       A 1,000 Years       Only Time (Enya)
